

Aurelia

Producer: Zoenos Winery

Vintage: 2020

Tasting Notes: In Zitsa, the production of sparkling & semi- sparkling wines is a local tradition. The Aurelia comes from the combination of three indigenous varieties of the region- Debina, Vlachiko & Bekari. Lively and elegant, with rich bubbles in the mouth, a v complex sparkling rosé with notes of cherries, strawberry and green herbs. Co- vinification and fermentation of varieties at low temperature. Short maturation on fine lees. Second alcoholic fermentation to autoclaved tanks (methode Charmat) under controlled conditions, where the sparkling is produced naturally.
